Directions: While viewing today's presentation, record information you believe is valuable and meaningful as it relates to Biodiversity. Recordings should be brief and accurate and contain both a key term/concept with a description. Use your matrix notes as a resource to write a statement summarizing the contents of this video.

Video Title: _____ Bill Nye - Biodiversity _____

YouTube: <https://www.youtube.com/watch?v=-Sybgof-X2k>

Summary of "Bill Nye - Biodiversity" video:

Draw and label (NOT CUT AND PASTE) a diagram showing biodiversity within a specific ecosystem (what a great title btw)!
